Catholic Advocacy Network Nebraska

This newly-formed Catholic Advocacy Network Nebraska (CANN) is a statewide, grassroots network established by the bishops of Nebraska to make it easy for Catholics to stay informed and make their voices heard on public policy issues affecting human life and dignity. The network provides the opportunity to collaborate with Catholics throughout Nebraska and across the nation to encourage lawmakers to protect all human life, defend the dignity of the most vulnerable members of our society, and promote the common good. CANN allows you to speak out on behalf of the poor, the disabled, the sick or dying, the unborn, the elderly, families and children, immigrants, the imprisoned, as well as marriage and religious liberty. By subscribing to the CANN email, you will receive action alerts on key bills at both the state and federal levels that allow for quick and easy messaging to elected officials as well as other reports, summaries, and educational materials related to legislative proposals affecting life, marriage and family, and justice in our state. To receive these emails, go to necatholic.org/take-action/
