

Thank You From Your Missionaries!

We are continuously grateful for the prayers and financial support received from many Holy Family parishioners. Thank you for your investment in a mission that is building the Kingdom of God.

Why Do We Fundraise Our Support?

We can see the first Apostles personally asking people and churches to fund the very first missionary journeys. Paul specifically writes about this in his letters, saying in 1 Corinthians chapter 9 that he could have asked for money from the people he was preaching to, but he “forfeited his right” so as to make the gospel “free of charge” (1 Cor 9:11-18). Paul argues that it is better to seek support from other believers in order to preach to those in need free of charge lest the relationship be a “stumbling block” to the gospel message.
