### Spending Time with Someone who loves You

Remember how it feels to be with someone who loves you despite your faults? Someone who wants what's best for you and is always there to listen to you? This is what is waiting for you during Eucharistic Adoration! Take time to clear your mind and spend some time with the Lord. Although it may be difficult at first, you will come to crave this time together. Peace and blessings will flow from this practice. Please sign up in the back of church for an hour that works for you.
