Mass

It is great to see so many friends and neighbors at the weekend masses!! Please be aware with the social distancing rules in place inside the church, any overflow will have to watch the Mass from their cars and communion will be distributed outside (utilize social distancing). Thank you for your patience and understanding.

Plant Project

There is quite a bit of work to be done next week, extra help would be greatly appreciated! A big thank you to the handful of people who have dedicated themselves week after week to complete the orders and keep this project going.
