### **Please join us**

In light of the current struggles our country is undergoing, Father Olsen encourages us to pray daily at 3PM, (the hour of Mercy). Please recite an Our Father, Hail Mary and Glory Be for God's blessings on our nation, our leaders and our people. It's as easy as setting your alarm on your cellphone or in your house. Remember prayer is our strongest weapon and Jesus has promised He will not forsake us.

### **Missalettes**

There will be Missalettes on the tables in back of church for you to use during the Mass. Please take them home with you and bring them back weekly for your own personal use during the celebration of the Mass in order to follow the readings, the Consecration and fully participate in this holy celebration.
