Message from Fr Olsen

The bazaar is an important part of our budget at Holy Family. Because of the effect of the virus on our bottom line, we really can't afford to have a slimmed-down bazaar lead to slimmed-down proceeds. If you feel uncomfortable attending the bazaar, a donation in the amount you might usually spend or the purchase of additional raffle tickets would help immensely. If your current situation allows for extra generosity, anything additional would certainly help offset those who will not be able to attend. Thank you so much for your generosity to Holy Family Parish.
