KC Pancake & Sausage Breakfast

Knights of Columbus Council 7699 annual Pancake & Sausage Breakfast is this Sunday morning, serving 8:30 am -- 10:30 am. Come and enjoy great food!

At the Breakfast, beginning at about 10:00 am, the Grand Knight intends to begin an informational video series on issues related to Covid-19: "vaccine" development, risks, and morality; health effects of wearing masks; psychological, emotional, physical, and economic effects of lockdown policy; geopolitical issues; and the erosion of freedom.

The video series will continue on the next two Sundays (March 7th and 14th) after Masses. The Project Meeting Room is tentatively reserved for this. Two videos are expected to be shown each of these days; video play time is approximately 45 minutes to one hour each. Questions and discussion may follow if there is interest. Each event should be over by about 11:15 am if things run as scheduled.

Legislative Alert

There are many bills before the legislature that are opposed to basic teachings of the Catholic Church. It is important for us to contact our state representative to encourage them to vote in a way that represents you. "Bad laws are only made by good citizens that remain silent". Here is a listing of the bills up for hearing and may be advanced for a vote. Let your voice be heard!

LR20CA: Eliminate Marriage Amendment. This proposes a ballot referendum for the voters to remove the state constitution's marriage amendment which defines marriage as exclusively between one man and one woman.

LB20: Mandates that all health insurance plans pay for hormonal contraceptives.

LB183: requires all hospitals-regardless of moral or religious views to dispense abortifacient emergency contraception to victims of sexual assault.

LB97: allows any two people to adopt a minor child. There are many other bills under consideration, go to www.necatholic.org and click on the legislative links to learn more.

LB120: Creates special protections for 'sexual orientation' and 'gender identity' for housing, public accommodations, and employment law.
