## Community-Centered Facility – Researching

### Viability

Included in this week's bulletin inserts is the March newsletter from Lindsay Area Development group (LAD) that highlights the current projects actively occurring and a look-back at the past 5 years. Of the top 5 strategic priorities the community had prioritized, 4 have been addressed. The last strategic priority under consideration is a community-based facility to serve the needs of the community, parish and school. Amenities desired to be offered focus on health & wellness, education programs, space for community events, sporting events and performing arts.

A team of community members are actively evaluating the viability of such a project and current focus is evaluating a business plan that includes funding and ongoing sustainability. As this is finalized over the upcoming weeks, a community information session will be scheduled. Please continue to pray for the community members participating and that their efforts are steered towards the best path forward for our community. Watch for more information to be shared in the weekly bulletins.

## **Pivot Days – Save the Date**

Mark your calendars for June 24<sup>th</sup> and 25<sup>th</sup> for Lindsay Area Development's annual Pivot Days event!! This is a family-friendly weekend filled with activities and entertainment for all to enjoy. As the main fundraising event for LAD, the funds raised are directed back into projects for the Village of Lindsay and surrounding area community members to benefit from and will be used to further progress on the strategic priorities named by community members. Current and past projects that have been sponsored by LAD are highlighted in the newsletter included in this week's bulletin inserts.

LAD thanks all past sponsors and community members for their support and asks for prayers for a successful event this summer. If you are interested in volunteering to help during the event or would like to sponsor, please contact a member of LAD: Aaron Reichmuth, Amber Klassen, Brian Wegener, Calvin Frisch, Jenny Korth, Ken Kurtenbach, Micaela Wegener, Tim Wiese, Tom Catterson.

### **Thank you**

Thank you to every one who has participated in the Lenten Season and Holy Week Liturgies. Many thanks to the ladies who cleaned our church and those who decorated the church so beautifully. A special Thank You to Fr Olsen and Fr Steve for the inspiring services and homilies, and the extra things you have done for our Parish clusters.

We are so blest as a community. May God continue to bless you.
