Andrew Kurtenbach: 402-920-0309

Jacob Preister: 402-741-2169

Jeff Brockhaus: 402-920-1759

Community-Centered Facility – Community Informational Meeting Wednesday 6/29 @ 7pm in LHF gym

Over the 4 months a team of community members have been actively evaluating the viability of a community-centered facility to serve the Lindsay and surrounding community. Research has been occurring to develop and understand the options for scope, budget for construction, viable operating business, funding and ways to ensure its ongoing sustainability. Updates as progress has been made have been shared within the bulletins and the team feels they have reached the point to share the research outcomes on options with the community.

Please come to the LHF gym at 7pm on Wednesday 6/29 to hear what the team has learned, outcomes of the research and impact this project can have on the community of Lindsay. Additional sessions will be scheduled throughout July to learn more about the project details and opportunities for the community to actively participate to move forward.

Please continue to pray for all the community members participating and that their efforts are steered towards the best path forward for our community. Watch for more information to be shared in the weekly bulletins.
