The Harvest season has started, with the extreme dry conditions in the fields, FIRES are inevitable. A few things to help prepare for these are:

1. Have a tractor and disc either in the field you are harvesting or close by
2. Have a fire extinguisher and or a container of water in the combine, tractors, trucks etc.
3. If available water wagon in the field or close near by
4. If you have a fire call 911 as soon as possible

Thank you, Lindsay Vol Fire & Rescue Dept.

Life Chain Sunday

October 2nd, 9:30-10:30am

Hwy 91 and Pine Street

Although the Supreme Court overturned Roe v Wade, the fight to keep unborn from being killed in their mother’s womb continues on an unprecedented level. This Supreme Court decision turned the decision back to the individual states to decide if they wanted to keep abortion legal or illegal. Nebraska still has full and legal access to abortion. But Pro Life Nebraska will be working to change this.

Unborn babies need your prayers in Nebraska! Come and pray one hour outside Town Hall where you can pick up the signs
