Plant Project

Teams 13 and 1 are asked to work the Plant Project this week. We will be working **Tuesday and Wednesday** morning and afternoon. All volunteers greatly appreciated!

Thank You

A special Thank You to all who gave an hour of your time to pray at Life Chain for an end to abortion. Although Roe/Wade was overturned this summer, we have a long way to go to make the killing of the unborn an unthinkable action. There have been numerous attacks on Pro-Life pregnancy centers in our country this year, as well as on Catholic Churches because of their pro-life stance. The abortion lobby is desperate to keep baby-killing a legal act. Keep praying for the unborn.

Thank You

The local Catholic of Foresters thank all who supported our Matching Funds. With everyone's support and a matching contribution of \$1500 from the National Catholic of Foresters, we reached our goal of providing funds for Chromebooks for HF School.

Attention Farmers

The Harvest season has started, with the extreme dry conditions in the fields, FIRES are inevitable. A few things to help prepare for these are:

1. Have a tractor and disc either in the field you are harvesting or close by
2. Have a fire extinguisher and or a container of water in the combine, tractors, trucks etc.
3. If available water wagon in the field or close near by
4. If you have a fire call 911 as soon as possible

Thank you, Lindsay Vol Fire & Rescue Dept.

Unborn babies need your prayers in Nebraska! Come and pray one hour outside Town Hall where you can pick up the signs.
