Volunteers Needed for Pivot Days

LAD is looking for volunteers to help us make this year's Pivot Day's event another success and fun for the entire family. Volunteers are needed to help take gate/check IDs, work in the beer garden and make funnel cakes. Additional help is also needed to work concessions and facilitate games and activities for the kids. This is also a great way for youth/school groups to get service hours while helping their community. Event proceeds go to support multiple projects for the community and businesses in Lindsay. Your help and support is appreciated!
