Thank you

We would like to reach out and thank anyone and everyone who helped us along the way! It's so great to live a community with so many kind and generous people who are willing to support each other and keep our community going strong! The Festival of Trees was again a HUGE success because of all of you! We are so grateful to all who gave their time to help whether it was in the kitchen, the admission table, tree room, pans table, helping set up and tear down, or bringing in your delicious cookies and bars. Thank you to all of the students that volunteered to help set up and work during the festival! A HUGE thank you goes to Angel Gaspers who volunteered her time to take on the tree room and also for all those who volunteered their time decorating their beautiful tree displays! We can't thank those of you who set up displays in our tree room enough! And to all the hard-working ladies in the kitchen making rolls each morning, your time and talent in the kitchen was beyond AMAZING!! Thank you to Nicole Preister who volunteered her time to take on the task of organizing the vendors! We also owe a big thank you to Mr. Bishop and all of the school staff that helped guide us along the way! If we have left anyone off of the list, it was unintentional, so please know that you were very appreciated for anything that you did to help us out! We are so very excited that the success of this year's Festival will enable us to provide our church and school with much needed items.
