

FUN NIGHT AND CHURCH DONATIONS

Dear Holy Family Parishioners –

There has been speculation regarding where the funds/donations from 2024 Fun Night and church donations are going.

All proceeds from 2024 Fun Night and all current church donations will go and are currently being used to run and operate Holy Family School's current 2023/2024 school year. 2024 Fun Night proceeds and church donations will be needed and are crucial to run and operate the current fiscal school year.

I have heard rumors that the Archdiocese is going to be taking our money. This is a falsehood. The Archdiocese cannot touch any funds with the school and parish being open. Once the school year ends, certain accounts will need to be closed and money dealt with at that time. I can say that to me, combined resources means that both parishes will be responsible to help with the newly formed junior high/ High School.

I have also heard that money will be going to St Francis. This likewise is a falsehood. Lindsay Holy Family has no responsibility to Humphrey St Francis other than their share of priests and other shared staff.

I ask you to please continue all regular donations to the parish, school and the upcoming Fun Night on January 20th, 2024. If you need any further clarification I will do what I can to inform you. This is what I know at this point, as we are just beginning the process and the Archdiocese has in some regards the final say.

Christ's Peace,
Fr Stan
