It's A Lie, decline to sign

The pro-abortion groups announced a ballot initiative in Nebraska which would enshrine a right to abortion until birth in our state Constitution. They are in the process of collecting signatures to put this on the 2024 ballot. This petition will allow full term abortion, take away parental rights and eliminate medical protection for women.

Lost

Two little boy wallets. One is a Jackrabbit one and the other is a Dallas Cowboys wallet. Please return to rectory.
