***BOOK KIOSK:** The kiosk in the back of church is filled with new books! There is also a variety of CDs on topics of faith. Take a CD or a book, and, when you are finished, pass it along to a friend. Maybe even pick one up to read during Adoration on Thursdays.

Upcoming 2024 Election of Great Importance

The 2024 election will be one of the most important in all of Nebraska history. Seven states throughout the nation have failed to protect life when facing a ballot initiative. Together, let's make Nebraska the first state to right the ship as abortion and its destruction of innocent lives tears through our country.

Recently, Nebraska Right to Life announced our support of the new pro-life ballot initiative that was released. Two important points to note with this ballot initiative:

First, it counters the pro-abortion ballot initiative in a productive way by supporting the life-saving law that we have in place *right now* in Nebraska. This keeps things from getting worse in our state this year. For this year and the culture in which we live, we are holding the line during this attack in an effort to defeat outside abortion advocates who have big dollars coming in from out-of-state and foreign countries.

But, we won't stop there. Nebraska Right to Life staunchly defends life at all stages and will continue to do so until abortion is unthinkable in Nebraska.

Second, this new pro-life ballot initiative provides an upper limit, but not a lower limit. In other words, we can continue to pass pro-life legislation in the future with this pro-life ballot initiative. Since it supports current legislation, it provides an upper limit of 12 weeks, but leaves room to protect life from the moment it starts.

The abortion industry is fighting hard to make headway throughout the nation. We *know* Nebraska is pro-life and a place where neighbors and friends help each other. We support women and babies in our state and want to see them protected. **Together, we can block the efforts of the nation's largest abortion provider and share our two-fold message of positive, life-affirming protection and support for women and babies, and also an equally strong, re-sounding, "Not in our state".**

Education is key to protecting women and babies.
