Abortion Related Initiatives

Currently, there are **three abortion-related ballot initiatives** collecting signatures to be included on the November general election ballot.

1. The pro-abortion initiative is an attempt to legalize late-pregnancy abortion in Nebraska and must be defeated.

2. *Protect Women and Children* is a pro-life response to the pro-abortion initiative. It would enshrine protection of unborn babies in the second and third trimesters into the Nebraska constitution. The three Bishops of Nebraska – through the Nebraska Catholic Conference – state it is morally permissible for Nebraskans to support this initiative.

3. *Choose Life Now* was recently launched and seeks to provide protection in the state constitution for unborn children from the moment of conception. The Nebraska Catholic Conference does not discourage support of the *Choose Life Now* ballot initiative but its focus remains on urging Nebraskans to oppose and defeat the pro-abortion initiative proposal.

The Nebraska Catholic Conference's website also has more information. (necatholic.org)
