### **Thank You!!**

Thank you to all who signed the Pro Life Petition. We have collected enough signatures to have the Protect Women and Children initiative on the ballot in November!

We ask God’s blessing on the State of Nebraska for the success of this Pro Life initiative “Protect Women and Children” and we ask God to change the hearts of those who are promoting the right for abortion at all stages of development.

### **Abortion Related Initiative**

**Protect Women and Children** is a pro-life response to the pro-abortion initiative. It would enshrine protection of unborn babies in the second and third trimesters into the Nebraska constitution. The three Bishops of Nebraska – through the Nebraska Catholic Conference – state it is morally permissible for Nebraskans to support this initiative.
