### Thank You

A HUGE thank you to everyone who helped make the Fish Fry event a success. Those who made cash donations, supported the raffle, provided the food-refreshments-supplies at cost, made donations to the silent auction, all the workers from set-up to clean-up, and of course, all those who came to enjoy the evening. Way too many to mention by name but you know who you are. All combined, \$36,000 was raised for the Academy. Thank you Everyone!

### Heart of a Child Ministries

We are excited to announce that Heart of a Child Ministries will be sharing their presentations with Holy Family School students on Tuesday, April 29<sup>th</sup>. A K-4 presentation will take place at 10:30 and the 5-6th graders will be at 12:00 noon.

Heart of a Child Ministries is an Omaha-based, nationally recognized, archdiocese of Omaha approved education ministry that brings *live ultrasound education* into schools with professional sonographers, master's level social workers and pregnant volunteers. They use a **4S** model of education – sharing **Scripture, Science, Stories and Service**. Children will see the miracle of life in the womb on the big screen, listen to the heartbeat, and hear the joy-filled truth about God's love for the preborn person and for all of His children!

The second collection April 12/13 & April 26/27 will be used to help fund the high cost of this amazing presentation. There will also be a baby item drive set up in the back of church to help out parents who have chosen life for their preborn child. The community is welcome to partake in all of these events and support our elementary students in showing how beautiful God's children are!
