Planning for the Future of St. Francis School

St. Francis of Assisi Parish is beginning a feasibility study to guide planning for a new elementary school building. A consulting group from Omaha, Strawhecker Non-Profit Services, will assist, and the parish will host a number of conversations with parishioners and community members, along with a parish-wide survey in early November, to gather input from the entire community.

Your feedback will help us discern the best path forward. We are committed to thoughtfully planning for the future of our parish and school and will share updates as they become available. Thank you for your prayers and support!

CARDS FOR MARY HELEN FUCHS

Parishioners, as Mary Helen Fuchs prepares to close on her home this October, Jamie Sunderman of ELITE REALTY has shared a special request to honor her legacy. As part of her closing gift, we would love to shower Mary Helen with cards and letters from those whose lives she touched—past coworkers, students, friends, parishioners and community members. Mary Helen has made a lasting impact on our church and school, and she has been a shining example of faith and service throughout her life.

HOW TO PARTICIPATE: Please send your card or letter in a sealed envelope labeled with Mary Helen's name to St. Francis or ACHS. We will be collecting messages until **Friday, October 4**. There will also be a basket in the back of church.
