Thank You

We would like to reach out and thank anyone and everyone who helped us with our Warmth and Wonder Festival! We are beyond grateful to all who donated in any way! It's so great to live a community with so many kind and generous people who are willing to support each other and keep our community going strong! The event was a HUGE success because of all of you! We are so grateful to all who gave their time to help whether it was in the kitchen, the admission table, pans table, helping set up and tear down, or bringing in your delicious cookies and bars. Thank you to all the students that volunteered to help set up and work during the event! We would like to give a GIANT Thank You to all the hard-working ladies in the kitchen! Nothing compares to your fresh and delicious rolls, the expertise you have to offer is unmatched and helped make this event a hit! We also owe a big thank you to Mr. Bishop, Brittany Herchenbach and all of the school staff that helped guide us along the way! If we have left anyone off of the list, it was unintentional, so please know that you were very appreciated for anything that you did to help us out! We are so very excited that the success of this year's Festival will enable us to provide our church and school with much needed items.
