### Juvenile Catholic Ministry Team:

For years I felt the Holy Spirit knocking on my heart to serve to those in prison. Then, on Dec. 2015 I received a call from the Archdiocese asking me to join a few others and minister to teenagers behind bars in Madison, Ne. Never did I dream it would be such a rewarding experience.

If you have a heart for young people and would like to share your time one Sunday afternoon a month with our team, spreading the love of God and providing hope in Christ to incarcerated teenagers, please consider joining our team.

If sharing of your time is not possible, there are other ways to impact these hurting young people; such as donating homemade treats, pop, socks, books, and of course your prayers.

If you too, feel the Holy Spirit may be knocking at your heart to get involved, please give me a call and I would love share how you can be a part of this amazing ministry.
