# ST. FRANCIS continued

**\*PLEASE REMEMBER IN PRAYER** the soul of Terrance "Terry" Helmer (husband of Jeanette Helmer, father of Jamie Sunderman of our parish), and Karen Eisenmenger who have passed from this life. May their souls, and all the souls of the faithfully departed, through the mercy of God, rest in peace.

**\*THANK YOU** to the 500 Club committee and all who supported the 500 Club fundraiser. We received \$20,000, which will help our parish meet our budget!

**\*HELP US KEEP THE LIGHT SHINING:** We are in need of a couple volunteers to care for the candle stands in church. This behind-the-scenes ministry would include replacing the votive candles, and washing and oiling votives twice a week. If you are looking for a flexible volunteer opportunity, call the parish office.

**\*KNIGHTS OF COLUMBUS INSTALLATION:** Saturday, April 18, candidates arrive at 9:30 AM. CUF begins at 10:00 AM. At 10:45 AM, candidates are invited to stay for their 4th degree. Lunch will be provided.

St. Francis is looking for donations of prizes for their annual AR party! Prizes run from large to small. This is a fun day for the kids who worked hard to reach their reading goals for the year!

Donations of toys/cash can be dropped off at the daycare or the St. Francis School office.

## REBUILDING OUR SCHOOL IN THE SPIRIT OF ST. FRANCIS

Updates, answers, and vision for our new parish grade school.

### What needs to happen before St. Francis can move forward with building a new school?

As conversations continue around the future of St. Francis School, one question continues to surface: What must happen before construction of a new school can move forward? The answer is straightforward: **before final approvals or construction can begin, the necessary financial support must first be in place.** This is an important part of responsible planning and stewardship, ensuring that such a significant step only moves forward when the parish and school community are prepared to support it.

A project of this size does not move forward first and receive support later — rather, **the support received determines when the project can move forward.**

In the weeks ahead, more information will be shared with the wider parish and school community about the vision, progress to date, and the path forward. This is an exciting and important season for St. Francis, and we are grateful for the continued faith, interest, and support of so many who care deeply about the future of Catholic education in our parish.

### *Stations of the Resurrection*

Every Friday, now until Pentecost  
at Holy Family Church at 2:50pm

Hosted by Grades 7-12 Theology Students

The Stations of the Resurrection, or Via Lucis (Way of Light), is a devotion that meditates on Jesus' resurrection and appearances, complementing the Stations of the Cross. Approved by the Vatican in 2001, it consists of 14 scriptural stations celebrating the joy of Easter, from Resurrection to Pentecost. Pope St. John Paul II described it as a 'stimulus for a culture of life', promoting hope and peace. Join us as we journey through the Stations of the Resurrection this Easter season!

*Congratulations*   
to all of the 2<sup>nd</sup> graders of  
Holy Family who made their  
First Holy Communion this weekend!  
May God's blessing be upon you always.
