**UNITED IN FAITH
BUILDING FOR
GENERATIONS**

REBUILDING OUR SCHOOL IN THE SPIRIT OF ST. FRANCIS

Updates, answers, and vision for our new parish grade school.

Building the Most Important Need for Our Parish

The new Humphrey St. Francis school will feature modern classroom spaces designed for collaborative learning, flexible seating, and seamless technology integration, all while remaining firmly rooted in our Catholic faith. These classrooms will support both academic excellence and the spiritual formation of each student.

Just as importantly, this project addresses the parish's most urgent need: providing our students with a safe, modern, and lasting learning environment as quickly as possible. While our current school has faithfully served generations of St. Francis families, the age and limitations of the building continue to create growing challenges that can no longer be ignored long-term. Our children deserve a space designed for today's educational and safety needs, and this campaign reflects the importance and urgency of making that transition.

The new school represents a bold investment in the future of Catholic education for our parish and our community.

Thank you for your continued prayers and support as we work together to make this vision a reality.
