UNITED IN FAITH
BUILDING FOR GENERATIONS

REBUILDING OUR SCHOOL IN THE SPIRIT OF ST. FRANCIS

Updates, answers, and vision for our new parish grade school.

A Library Designed to Inspire Learning and Faith

The new Humphrey St. Francis Library & Media Center is envisioned as a bright, welcoming hub for reading, research, technology, and discovery. Designed to support both individual learning and collaboration, this space will encourage curiosity, creativity, and lifelong learning for every student.

As the academic and intellectual heart of the new school, the library will provide students with modern resources and technology while remaining firmly grounded in Catholic values. It will be a place where students not only grow in knowledge, but also deepen their faith, character, and understanding of the world around them.

This new space represents more than just a library, it is an investment in forming future generations of St. Francis students academically, spiritually, and personally.

If you would like to learn more about available naming opportunities or recognition options, we encourage you to contact the campaign team: campaign@hsfschool.org

Thank you for your continued prayers and support as we build the future of Catholic education together.

SCAN THE QR CODE TO LEARN MORE AND MAKE A GIFT:

Pledge Forms may also be picked up in the Parish Office.
