UNITED IN FAITH

**BUILDING FOR
GENERATIONS**

REBUILDING OUR SCHOOL IN THE SPIRIT OF ST. FRANCIS

Updates, answers, and vision for our new parish grade school.

Stewarding God's Gifts

Throughout Scripture, we are reminded that we are called to be good stewards of the gifts God has entrusted to us. That same principle guides the St. Francis Elementary Building Project.

Thanks to the extraordinary generosity already shown, we now have the opportunity to begin construction of our new school. As we continue toward the August 15 Challenge, we also have the opportunity to determine whether we can complete the gymnasium as part of the same project.

Completing the full vision together would allow us to build efficiently, reduce future disruption, and make the most of the resources already entrusted to our parish.

We remain grateful for the tremendous momentum surrounding this campaign and ask for your continued prayers as we discern the path forward. Together, we are building more than classrooms and a gymnasium—we are building a place where future generations will encounter Christ, grow in faith, and receive an outstanding Catholic education.
