REBUILDING OUR SCHOOL IN THE SPIRIT OF ST. FRANCIS

Updates, answers, and vision for our new parish grade school.

The August 15 Challenge: An Invitation to Complete the Vision

As we continue toward the August 15 Challenge, we do so with deep gratitude for all that has already been made possible.

The generosity of parishioners, school families, alumni, and friends of Catholic education has brought St. Francis to an exciting moment. Because of this support, we are preparing to move forward with the new school, which is the most immediate need for our students and families.

At the same time, our full vision remains unchanged. We continue to work toward completing both the school and gymnasium as one unified project that will serve future generations.

If you have not yet made a commitment, we invite you to prayerfully consider doing so. If your family has already pledged, thank you. Some supporters have chosen to make an additional commitment as August 15 approaches, and we ask you to prayerfully consider whether you may be able to do the same.

Together, we have an opportunity to complete the vision for St. Francis.
