UNITED IN FAITH

**BUILDING FOR
GENERATIONS**

REBUILDING OUR SCHOOL IN THE SPIRIT OF ST. FRANCIS

Updates, answers, and vision for our new parish grade school.

August 15 Challenge – Just Two Weeks to Go

With just two weeks remaining in our August 15 Challenge, we invite every parish family to prayerfully consider how you can help bring our new St. Francis Elementary School to life.

Thanks to the incredible generosity of our parish family and supporters, we have made remarkable progress toward our \$25 million goal. Because of your faith and commitment, we are now within reach of making this vision a reality. But we are not there yet.

This campaign has never been about bricks and mortar. It is about investing in our children, strengthening Catholic education, and ensuring that future generations have the opportunity to learn, grow, and deepen their faith right here at St. Francis.

If you have already made a pledge, thank you. Your generosity is making a lasting difference.

If you have been waiting or are still discerning your gift, now is the time. Every commitment, regardless of size, moves us closer to our goal. Whether you are able to make a one-time gift or a pledge payable over time, your participation matters.

The next two weeks are critical. If you have not yet made your commitment, we respectfully ask you to do so before August 15. Together, through God's grace and our shared generosity, we can reach this goal and ensure this vision becomes a reality.

Thank you for your continued prayers, generosity, and belief in the future of Catholic education here in Humphrey.

Pledge Forms may also be picked up in the Parish Office.
