**UNITED IN FAITH
BUILDING FOR
GENERATIONS**

REBUILDING OUR SCHOOL IN THE SPIRIT OF ST. FRANCIS

Updates, answers, and vision for our new parish grade school.

United in Faith. Building for Generations.

As we come to the close of this extraordinary season of fundraising, we want to simply say **thank you**.

Throughout this year, St. Francis has come together around an ambitious vision for the future of our parish and school. Through your prayers, generosity, conversations, encouragement, and sacrifices, you have demonstrated an extraordinary belief in our parish and the generations who will come after us.

The response to this vision has been remarkable. Every gift and commitment has played a part in bringing us to this important moment. More than dollars raised, this effort has demonstrated the strength of the St. Francis community.

Now, we turn our attention to what comes next.

With gifts and commitments being finalized and the full picture of our resources becoming clear, parish leadership will prayerfully evaluate the results and determine how the construction project can best move forward. There are many factors to consider, and we want to take the time necessary to make wise decisions for the future of St. Francis.

We will share more information with the parish when those decisions have been made and we are ready to announce the next steps.

In the meantime, the opportunity to support this vision remains open. As the project moves forward, there will continue to be needs—including contingency costs, additional project needs, and other opportunities to strengthen what we are building together. If you have not yet made a gift or would like to make an additional gift, your generosity is still welcome and appreciated.

For now, we ask you to continue to pray for our parish as we discern the path ahead. This has always been about more than a building. It is about **faith, family, community, and our responsibility to build something that will serve St. Francis for generations to come.**

Thank you for believing in this vision. Thank you for your generosity. And thank you for showing, once again, what is possible when we stand **United in Faith. Building for Generations.**
