***BIG RED BASH:** Saturday, Sept. 19, in ACHS gym; Nebraska vs North Dakota. Tickets \$120 per couple—includes two meals, bottomless drinks & snacks. Doors open at 6:00 PM. Tickets can be purchased on Venmo @Allyson-Kosch by scanning the QR code to the left.

ST. FRANCIS continued

***SCRIP:** We had \$6,585 in sales during the month of August, for a profit of \$225.58! You can stop in the east entry of the church after weekend Masses to pick up some SCRIP—maybe start shopping for holiday gifts! Thanks to everyone who continues to support SCRIP!

***CHURCH LIGHTS:** Please help your church by turning off the north entrance lights and the lights in the narthex when you are the last one to leave.

***THERE WILL BE A PRE MASS** on Wednesday, September 16, at 6:40 PM. We invite all Family of God parishioners to join us!

***ST. FRANCIS PRE STILL IN NEED OF TEACHERS:** We are still looking for a couple of individuals interested in helping teach the PRE students. If this is something you would like to do, please reach out to Lori Classen at 402-920-0388. This is a great way to share your love of Jesus with the students in our parish.

***LAST CALL FOR SAFE ENVIRONMENT TRAINING:** There will be two training sessions on Wednesday, September 23, at ACHS: one at 2:00 PM in room 110, and one at 6:00 PM in the computer lab. You can pre-register at <https://omaha.comgconnect.org>.

Safe environment training is required by the archdiocese for anyone who wants to volunteer to help with school activities. This training is meant to ensure all youth will experience a safe environment with healthy relationships.

***HELP SAVE OUR PEWS:** The fashion trend of bling/rhinestones on the back pockets of jeans act like rough sandpaper and razors on the pews. Please refrain from wearing these to church—our pews have been damaged from these stones. Some of the damage is irreversible.

***GOT EXTRA GARDEN GOLD? SHARE YOUR HARVEST WITH THE SCHOOL CAFETERIA:** If your garden is overflowing with tomatoes, cucumbers, watermelon or other produce, don't let them go to waste. The cafeteria is gladly accepting fresh, homegrown produce to put on the salad bar and in their lunches. You can help give the students a taste of fresh, local goodness while keeping our food costs as low as possible.
