Plant Project

Team 7 is asked to work the Plant Project this week. ****No work on Monday****. Tuesday will consist of labeling. Wednesday we will complete work. Thank you for your help!

Thank You

The Catholic Order of Foresters thanks all who supported our fundraiser. With your generosity we were able to reach our goal. Along with the matching funds from National COF, the money raised will be used for technology purposes at Holy Family School.

Thank You

Thank you to all who participated in Life Chain on Sunday to support and pray for the Unborn. Life Chain originated in 1987 and Holy Family has participated every year. This battle is ongoing and we ask for your daily prayers for the Right to Life for all persons. To date approximately 67 million unborn have been killed in the US. How many of these babies might have grown to become much needed priests? Or perhaps a scientist who found the cure for cancer?
